PERSONAL INFORMATION COLLECTION STATEMENT

This statement describes the personal information that we collect from you and how we use it. It is intended to help you understand our information practices and to give you the opportunity to control how your information is used. This statement applies to all personal information that we collect from you, whether or not you are a member of our organization. It does not apply to information that we collect from third parties or to information that is publicly available.

We collect personal information from you in a variety of ways, including when you register for an account, when you place an order, when you contact us for customer support, when you provide feedback, and when you use our website or mobile application. We use this information to provide you with our products and services, to improve our website and mobile application, and to contact you about our products and services. We also use this information to analyze our website and mobile application usage and to identify trends, patterns, and preferences.

We may share your personal information with our service providers, who help us to operate our website and mobile application. We may also share your personal information with our business partners, who help us to provide our products and services. We may also share your personal information with our legal advisors, who help us to ensure that we are complying with applicable laws and regulations.

You have the right to access, correct, or delete your personal information. You also have the right to opt out of our marketing emails and to control how we use your personal information for research and development purposes. You can exercise these rights by contacting us at the contact information provided below.
